BECOMING
DYMON STUD

THE VOICE. THE PRESENCE. THE SHIFT.

RAW. REAL. ROOTED.

THIS IS DYMON STUD.

ONYX LEE MUSIK

“

I DON'T
MAKE MUSIC
TO BE
HEARD.

I MAKE IT
SO YOU
FEEL ME.

”

Dymon Stud 

Dymon Stud isn't a moment.
She's a movement.

ABOUT

DYMON STUD

Dymon Stud is more than an artist—she’s a presence.

A storyteller shaped by experience, discipline, and the quiet moments most people never see.

Born from truth and refined through pressure, her voice carries something deeper than performance. It carries memory. It carries tension. It carries release.

She doesn’t chase attention.
She commands it.

With a sound rooted in raw emotion and elevated by intention, Dymon Stud creates music that doesn’t just play—it lingers.

Because this isn’t about being seen.
It’s about being felt.

THE DUALITY

TWO SIDES. ONE TRUTH.

DYMON STUD.

CONTROLLED.
GROUNDED.
UNSHAKEN.

She moves with purpose.
She protects her peace.
She builds, she leads, she leaves a mark.

THIS IS THE PRESENCE.

The world sees.

DYMONA.

SOFT WHERE IT MATTERS.
QUIET WHERE IT COUNTS.
STILL LEARNING, STILL FEELING,
STILL BECOMING.

She's real with her emotions.
She gives grace.
She heals, she grows, she keeps it moving.

THIS IS THE HEART.

The few understand.

ONE DOESN'T EXIST WITHOUT THE OTHER.

And the balance between them?
That's where the power lives.

THE SOUND THE MOVEMENT

THIS IS NOT JUST MUSIC.

THIS IS DISCIPLINE.
Every record is earned.
Every lyric is lived.
Every session is a step forward.

THIS IS EVOLUTION.
Constantly growing.
Constantly pushing.
Never settling for what's expected.

THIS IS EXPRESSION.
Raw emotion meets refined delivery.
Real stories. Real sound.
Real impact.

PROJECT: **STUD SWAGGER**

More than a project. It's a statement.
A reflection of confidence, grind, and growth.
Each track tells a piece of the journey—
boldly and unapologetically.

**THE SOUND MOVES.
BUT THE MESSAGE STAYS.**

“

IT'S BIGGER THAN ME.
IT'S FOR EVERYONE WHO REFUSED TO QUIT.
THIS IS FOR THE ONES STILL BECOMING.

”

This is music with a message.
This is Dymon Stud.

BUILT FROM THE BOTTOM

NOT LUCK. JUST LESSONS.

There was no blueprint.
Just a dream and a decision
to bet on herself.

From long nights in the studio
to learning the business,
Dymon Stud built everything
brick by brick.

Every no made her stronger.
Every delay gave her perspective.
Every win—she earned.

THE FOUNDATION:

- 👑 Discipline over motivation.
- 👑 Consistency over comfort.
- 👑 Faith over fear.
- 👑 Purpose over popularity.

THIS ISN'T A COMEBACK STORY.
IT'S A **BUILT** STORY.

“

I DON'T WAIT FOR OPPORTUNITIES.
I CREATE THEM.

— *Dymon Stud*

”

“
**THEY SAID
IT WAS A
PHASE.
I MADE IT
A FRANCHISE.**
”

Pressure creates presence.
Presence creates legacy.
